Please note we may have to move your appointments slightly back or forward to help another appointment get into the system there will be a confirmation sent via email please ensure you have the correct email address.

Please do not book for somethings you don't want in hopes that it will be done on the day as this is highly unlikely.

If you need help please call the salon during opening hours and we will assist you.

We advise you to book at least two weeks in advance, our regular clients book months ahead of time and this is why we have limited last minute availability.

Please ensure you have the correct email address as you will get appointment reminders, check you junk mail if you don't receive a confirmation.

Selecting the correct booking options

Please note it is very very important to book the correct Booking as this can set back our stylist whole salon day and the clients that come after you. Hair length, density and condition have a huge impact on how long a service can take and you will be charged more at your appointment if you do not select the correct booking and may result in you not getting your desired service on the day.

If your hair is on your shoulders or below when stretched or very thick in density you must select(HAIR BELOW THE SHOULDER) on our booking system. This allocates more time on our systems for your appointment.

LH - is for LONG HAIR (**hair below the shoulders**) on our price list.

Our price with no LH is for Hair ABOVE THE SHOULDERS. Please see pictures Examples

Hair Below Shoulder

If your hair is below shoulders when stretched you must select (below shoulders) when booking your appointment.

Hair Above Shoulder

If you stretch your hair and it does not touch your shoulders you must select (Hair above shoulders) when booking your appointment.

(YOUR STRETCHED HAIR IS YOUR TRUE LENGTH)

Selecting Service Add ons

- Adding add on services Allows you to select more on your service - like a DETANGLE or a TRIM if this is not in your hair package it is essential you add it on to your service when booking. If you HAVE NOT selected detangling in your service YOU MUST COME WITH YOUR HAIR DETANGLED so we are ready to start your hair treatment or style.

-if you are coming for a braids, weave or a trim your hair must be blowdried or stretched in your preferred way or a detangle or blow-dry must be added on in SERVICE ADD ONS. This cannot be added on the day and will lead to a loss of deposit.

Keeping hair stretched

For Appointments if you have blowdried your hair and you are trying to keep your hair stretched for your Appointment you can do this by doing big braids. Not twist or using head bands to keep hair stretched.

If we have to blow-dry your hair in sections you will be charged for a blow-dry. This is time being taken from another clients appointment.
